

Anne Zeeman
Business & Product Manager

Anne Zeeman was born in the Netherlands and has been living in Curaçao for almost 20 years. Anne is the business and product manager of Critical Communication Caribbean (C3). C3 is well known for providing professional radio communication; the company is a distributor for Vingtor-Stentofon intercom- and PA-systems in the entire Caribbean and the North of Latin America. Vingtor-Stentofon is a brand of the former owner of C3: Zenitel. Anne Zeeman has 20+ years of experience in informatics and telecom.

C3 recently opened a sales office in Colombia where Anne provides technical training, pre-engineering and project support to the partners and integrators regarding the Vingtor-Stentofon solutions. C3 provides communication solutions to the Maritime, Oil and Gas, Industrial, Transportation and Building Security markets.
