

DONALD DEMERITTE, CMC
President, Caribbean Institute of Certified Management Consultants

“I view developmental initiatives, coupled with the empowerment of enterprises and professionals, as critically important to the growth and sustainability of our countries and the Caribbean. I am excited about the prospect of working with creative and innovative professionals and entrepreneurs, to develop and deliver sustainable solutions for our businesses, countries and region.”

Donald Demeritte is the newly elected president of the only Caribbean organization that provides professional development support to consultants. He is domiciled in The Bahamas and is a business strategist consultant, who provides consultancy services throughout the region. He is recognized as an ‘innovator’ and ‘change agent’, often drawing upon his practical work experiences and energies to generate solutions and spur broader discussions. A collaborator and ‘results driven’ person, he sees regional cooperation and sharing as the precursors to sustainable industry and sectoral transformation.

As a Master Trainer (1 of 4) for Caribbean Export’s ProNet Training program, Donald has conducted Business Strategy and Export Marketing (modules) Workshops throughout the Caribbean, specifically, Aruba, Belize, Curacao, Jamaica, St. Lucia, Trinidad and The Bahamas.

Mr. Demeritte has experience in initiating public dialogue in a variety of areas, including sustainable development, domestic investments, creative industries (handicraft sector) and heritage tourism. A banker by training, his international banking experience includes short and long term assignments in Jersey C.I., Isle of Man, London, Gibraltar, and Guernsey.

He is presently a sitting Board Member of the Central Bank of The Bahamas and Chairman of The Bahamas’ Education, Loan Authority. His consultancy profile includes:

- Public-Private-Partnership Strategist
- Project Design, Development, and Management
- Project Monitoring and Evaluation
- Financial Operations & Risks
- Business Strategist
- Process Re-engineering
- Certified Regional SME Trainer
- SME Mentoring
